OK Boys I'm here to coach you to victory with my lucky sweater

Are you kidding me with that thing on...really???? I need to throw up.

I wonder if I borrow that cool sweater the Mrs will get turned on tonight?

I know I'm taller than Barry, I've got my platform boots on too.

What he thinks. My honey is out watching me play I'm going to score a goal for her and maybe cash in tonight, yeah baby!!!

What she thinks. OMG I'm missing Dancing with the Stars to watch this debacle...oh wait a minute they are yelling at each other, will they drop their gloves...no just boys being boys. OMG how long is this game? I have no idea who my man is, they all look the same, slow and fat? Oh yes he is going to pay for making me sit through this.

so fast and never
miss a pass*
